# $TERMINAL

Deciphering the Future
of Gaming with GameFi
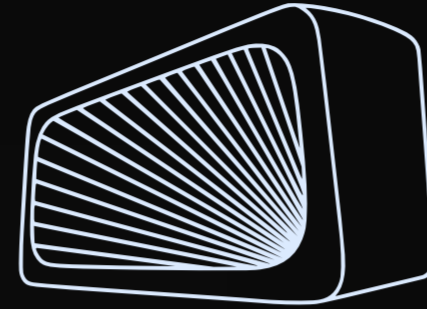

# GAMEX
# DESCRIPTION

## Terminal

An game of word decryption. Users earn points for word decryption and progress on the leaderboard for an opportunity to receive an airdrop. Points are converted to $TERMINAL, fully integrated into the game and can be used to purchase in-game boosts.

# LOTW

## LOTW

LOTW is the continuation of Terminal, expanding upon its mechanics and belonging to the roguelike genre. LOTW will be powered by $WARP.
